GREETINGS FROM THE MAYOR OF THE CITY OF HAMPTON, VIRGINIA

On behalf of the Hampton City Council and the residents of the City of Hampton, it is my pleasure to welcome you to the AFCEA Tidewater Chapter, Tidewater Integrated Combat Symposium (TWICS) being held at the Hampton Roads Convention Center.

Thank you for your work to achieve your vision of being the premier information technology, communications and electronics association for professionals in international government, industry and academia worldwide.

Your mission to foster extensive community relations and support scholarships, science and teaching tools, robotics development and Science Technology Engineering and Mathematics (STEM) is of great importance and much appreciated.

We are delighted that you have again chosen Hampton as the host city for your symposium. While you are here, we invite you to visit Hampton's distinctive attractions and restaurants and take advantage of local shopping opportunities.

Again, thank you for choosing Hampton. It is our sincere hope that you will return to Hampton for your symposiums in the future.

Best wishes for a successful and enjoyable symposium on May 6-8, 2024.

Sincerely,

Donnie R. Tuck
Mayor
